Be Proud. You have earned an official TACO (Too Advanced, Chill Out) card!

You received this for asking the right question at the wrong time. Maybe the answer would spoil something we haven't gotten to yet. Maybe it would steer the class in the wrong direction. Maybe it would open a door that we're simply not ready to walk through. Or maybe I want you to sit with the mystery a little longer. Regardless, it has been a pleasure to not answer you.
